My Dear Gil:

This is Friday night. Smith, Bert Dail and I just went to the last show of the movies. Bert has gone home and Harold is over at the club party, and that I would write a short letter before I turned in. I have been expecting a letter from you for the last couple of days but nothing has shown up yet. So if you haven't already written please write when you get this, and about coming up to the club party tonight. I don't you think we are having a fine time can tell you what they are having for refreshments Salads, Wiggs & Coffee. Leo and Lucile were in this afternoon to say good bye

He is going to N.Y. Monday  
and Louise is going as  
far as Burl. with him in  
the morning, she said it  
would be kind of nice for  
a time living in a flat. He  
is going to write for her to come  
later.

Well Paclaw has just been  
trying to think of some more  
now but that seems to be  
all.

Expect to get through fixing  
the office over and pretty well  
started by Sat 1<sup>st</sup> am going  
to Burl Monday to look at  
a billiard table and cast iron  
don't suppose you have anything  
to get there around the first of the  
week?

It started to snow yesterday  
and did today a little too  
and is quite a little colder  
but no skating yet.

Miss Baker came back from  
the club party early and came  
in the writing room to talk a  
few minutes then Mr Bailey  
came in and was having  
talkings prohibition, woman  
suffrage and every thing in  
general, so my dear it is  
now just 12.17 and you  
truly has got to get up about  
6.30 and get the milk going  
by 7. so guess I'll stop  
for tonight.

Write when you can??

Lots of love

Conner
